Subject: Inventory on hand & descriptions
Date: Tuesday, August 18, 2015 1:07:26 PM
Attachments: [Inventory Stock status by site Houston.xls](#)

Hi Greg,

Please see attached inventory on hand and descriptions for our products that were at our Conroe warehouse.

Under the 'Assembly' section of the spreadsheet it lists the raw materials that make the finished assembly item. If you need more information on other products listed please let me know.

Thank you,

Brad Moore
